Sing

We Are Young - MIKA & RedOne

[Chorus]

We are young, we are strong
 We're not looking for where we belong
 We're not cool, we are free
 And we're running with blood on our knees

[Verse 1]

We could rule the world on a silver platter
 From the wrong to the right light, to the open stream
 With a crash and burn, we can make it better
 Turn it upside down, just you and me

[Pre-Chorus]

We are the dream
 No other way to be

[Chorus]

We are young, we are strong
 We're not looking for where we belong
 We're not cool, we are free
 And we're running with blood on our knees

[Verse 2]

I could change the world, I can make it better
 Kick it up and down, took a chance on me

When you fake a smile and you think you're better
 Gonna put it down, whip it at your feet

[Pre-Chorus]

No bridge to burn
 Nowhere to turn for me

[Chorus]

We are young, we are strong
 We're not looking for where we belong
 We're not cool, we are free
 And we're running with blood on our knees
 We are young, we are strong
 We're not looking for where we belong
 We're not cool, we are free
 And we're running with blood on our knees

[Bridge]

What do they know about us?
 Are they thinking of somebody else?
 Are they wondering what we might be?
 Are they thinking of you or of me?

[Chorus]

We are young
 We are strong

We're not looking for where we belong
 We're not cool
 We are free
 And we're running with blood on our knees

[Chorus]

We are young, we are strong
 We're not looking for where we belong
 We're not cool, we are free
 And we're running with blood on our knees
 We are young, we are strong
 We're not looking for where we belong
 We're not cool, we are free
 And we're running with blood on our knees
 We are young (I could rule the world), we are strong (On a silver platter)
 We're not looking for where we belong
 We're not cool, we are free
 And we're running with blood on our knees (Just you and me)
 We are young, we are strong
 We're not looking for where we belong (Just you and me)
